Dear Sir,

Do you not think it
see the whole of the delegation
together. If so I must
consult them as to time
& place. Suppose you know
Mr Parnell is coming as
N. I representative.
I may tell you confidentially
that we are pressing the position
of N. I upon Mr Chamberlain

16/2e

& have some glimmer of hope of his intervention in a friendly way –
I could probably see you on Saturday morning or Tuesday if not at the Colonial Office

Yours very truly
Cecil Rhodes
